

**Home Delivery
Shipping Rates and Options**

- * The classes below ship separately: multiple rates may apply, one for each ship class in an order.
- * Prescription items (Rx): Allow 1-2 days for veterinary approval.
- * Please note order items may ship separately to deliver within shipping window.

The following rates apply to all Standard Pharmacy Orders:

- * Exceptions include RemindMe Monthly Doses, Insulin, heavy item orders (items over 3 lbs) and diets
- * All UPS options must be sent to physical address - No PO Boxes for expedited orders.
- * Federally controlled substances require an adult signature to receive the shipment and must be delivered to a physical address via an expedited shipping option
